Windows: CRE ATE DATABASE or ALT ER DATABASE failed because the resulting cumulative database size would exceed your licensed limit of 10240 MB per database.

```
USE [MYBASE];  
GO
```

```
DELETE FROM MyTable;  
GO
```

Server Error in '/WebBase2' Application.

Cannot open database "MyBase" requested by the login. The login failed.

Login failed for user 'NT AUTHORITY\SYSTEM'.

Description: An unhandled exception occurred during the execution of the current web request.

Please review the stack trace for more information about the error and where it originated in the code.

Exception Details: System.Data.SqlClient.SqlException: Cannot open database "MyBase" requested by the login. The login failed.  
Login failed for user 'NT AUTHORITY\SYSTEM'.
